

## Outdoor P16 Integrated 3 in 1 Full Color LED Screen Series

Full color outdoor P16 LED screens with integrated 3 in 1 full color LED block modules as unit is another deeper revolutionary development in the LED screens industry. It shows a super fine and high quality picture on the LED screens and has a much wider viewing angle than the full color dip lamps LED screens. It absorbs the advantages of indoor LED screens and rejects the deficiencies of the traditional LED lamp outdoor display screens.

**LED Screen Name:** P16 Outdoor Integrated 3 in 1 Full Color SMD Series

**LED Class:** Integrated 3 in 1 SMD Series

**Pixel pitch:** 16mm

**Cabinet Size:** 1024mm(w) X 768mm(h)
